

Payment Terms for Blox Car  
Valid as of 7.5.2018  
Updated 13.7.2020

## **Payment**

The service accepts the most common payment cards. The payment for a rental must be done on the reservation page latest one hour before the start of the rental.

Please note that in case of an accident each car has an excess of minimum 1 000 euros.

## **Refund**

A payment is refunded partly or in total if the rental is interrupted due to circumstances that are beyond the renter's control.

No refund is paid if the rental is cancelled after the start time. Additional costs, e.g. extra rental time or kilometers and fuel, are paid separately on the booking page.
